 Icicle Lights: 7.5ft strands  
 Accessories: Extension Cords / Clips / Timers

### ADDITIONAL

**Fix ups:** The completion of fix-ups will vary depending on availability. Cost starts at the minimum installation rate and can increase based on the amount of work and product required to bring lights up to a professional installation.

**Minimum Installation Fees:** \*this does not include lights or supplies\*  
 Early Bird (before October 15) - \$250.00 + GST  
 Mid Season (between October 15 & November 15) - \$350.00 + GST  
 Late Season (after November 15) - \$450.00 + GST

**Take-downs:** Included in the rate of install. Take-downs not completed by February 15 will be charged at minimum of 30% of the install rate.

\*please note that if there is a snow fall within 2 days of your scheduled take-down date, we may have to reschedule. If your new take-down day takes place after February 15, we will not be able to include this\*

\* Please note that billing is by the FULL strand length. Lights supplied by the customer must be approved by Bugaboo Landscaping Ltd prior to install. Any new supplies needed are billed in addition to the install price.\*
